

## Activating Screen Share on the FEV Tutor Whiteboard

<b>1.</b>	Before you begin, please <b>disable your pop-up blocker</b> .
<b>2.</b>	<p>Download the FEV Screen Sharing Browser Extension for Chrome or Firefox.</p> <ul style="list-style-type: none"><li>• <b>CHROME:</b> <a href="https://chrome.google.com/webstore/detail/fev-screen-sharing/achpmbbednoeblopednjaonnjakdomfo">https://chrome.google.com/webstore/detail/fev-screen-sharing/achpmbbednoeblopednjaonnjakdomfo</a></li></ul>  <p>The Chrome extension card shows the FEV Screen Sharing logo, the name 'FEV Screen Sharing' by FocusEducation, a description of the extension's purpose, a 'Productivity' category, a 5-star rating, and an 'ADD TO CHROME' button.</p> <ul style="list-style-type: none"><li>• <b>FIREFOX:</b> <a href="https://addons.mozilla.org/en-US/firefox/addon/fev-screen-sharing/?src=cb-dl-recentlyadded">https://addons.mozilla.org/en-US/firefox/addon/fev-screen-sharing/?src=cb-dl-recentlyadded</a></li></ul>  <p>The Firefox extension card shows the FEV Screen Sharing logo, the name 'FEV Screen Sharing 1.0.1' by Focus Education, a description of the extension's purpose, and an 'Add to Firefox' button. It also indicates 'Not yet rated', '0 user reviews', and '4 users'.</p> <p><i>*NOTE: If extension is not added then an alert message will appear directing you to install the extension.</i></p>
<b>3.</b>	<p>The student can now log into their tutoring session and click the <b>“Share my Screen”</b> button at the top right of the whiteboard.</p>  <p>The control bar at the top right of the whiteboard contains several buttons: 'SHARE MY SCREEN' (highlighted with a red box), a speaker icon, 'GO SLOW' (with a refresh icon), and 'STOP' (with a red square icon).</p>

When the pop-up window appears, select **“Your Entire Screen”** or **“Application Window”** to determine if you share either all or part of your screen with your tutor.

4.

5.

The tutor will now be able to see all or part of your screen, depending what you selected to share. You can continue to use the whiteboard application as normal, **all tools (except audio) will work.**

6.

To stop sharing your screen, click on the **Stop Sharing Button** at the bottom of the screen.
